I was given 3 yrs for a Failure to appear while I was incarcerated and had no way of getting there. The courts were well aware of my whereabouts. The Judge & Prosecutor of Grundy Co. Both knew I was in jail. But failed to accept that and didn't let me prove this in court. ## United States District Courts.

I'm praying that these Forms are Filled out correctly? I was wrongfully charged in Grundy Co. and they also knew that I was in Jail at my court time. They were notified by phone but still Filed Failure to Appear on me and then gave me 3 yrs. to run consequently behind my other time. I did file a Form 40 and they did finally dismiss this case but not until I did 19 months on a 3 yr. prison term. The required % time on that was 50% and 19 months is over that. The prosecutor requested delays at my hearings so I would have to be in prison for that required time before he reversed the charge.

Therefore I feel that I have the legal right to sue for punitive damages to myself and to my marriage that it destroyed. That's 19 months that I could of been Free and not put through this mental stress. I'm currently taking mental health pills - for Bi-polar - paranoia Social Anxiety due to this added stress and suffering!
